## EDUCATION

**California State University San Marcos** | GPA 3.20  
Bachelor of Science in Computer Science  
AUG 2015 - DEC 2020 (expected)

## EXPERIENCE

### Teaching Assistant - Computer Science

- JUL 2019 - present
- Design, review, and refine online **Python** and **C++** learning activities for 100+ college students per semester.
  - Prepare **Trello** boards to facilitate task management among the team.
  - Create videos using **Adobe Premiere Pro** and **YouTube** to demonstrate introductory programming concepts.
  - Developed a script using **Python** to automate the transformation of a video transcript to SubRip Subtitle format.

### ⌘ Center for Research and Engagement in STEM Education (CRESE)

- APR 2019 - present
- Operations Lead**
- Arrange and communicate schedules and other operations for a team of 20+ employees and volunteers.
  - Organize attendance and survey data from 260+ K-12 students per semester at 13 Mobile Making sites.
  - Create templates using **Google Drive** to increase reusability and consistency.

- JUN 2018 - APR 2019
- STEM Ambassador**
- Facilitated Mobile Making sessions, which bring hands-on STEM activities to various K-12 sites, encouraging STEM interest in underserved communities.

- NOV 2019
- Southern California Conferences for Undergraduate Research (SCCUR)**
- Worked in a team of 3 Ambassadors and 4 faculty members to produce and present a poster emphasizing the impact of CRESE's Mobile Making program on undergraduate leaders. ⌘

### Ritz d'Lites boba shop employee

- OCT 2017 - AUG 2019
- Interacted with guests and collaborated with employees, striving for customer satisfaction with each drink order.

## PROJECTS

### ⌘ COVID-19 Data Science Analysis

UCSD Division of Biomedical Informatics (DBMI)  
Summer Internship Program - Research Trainee

- JUN 2020 - present
- Access and analyze 75,571 records of globally-submitted COVID-19 patient data, then generate graphs using Python's **matplotlib** and **seaborn** libraries to identify trends in the dataset
  - Develop **Python** code in a **Google Colab notebook** to keep the project synchronized among the 4-member team, and use **Markdown** to format the documentation.

### ⌘ Service Impact Website for Cougar Pantry

Fab Friday at CSUSM

- AUG 2018 - MAY 2019
- Collaborated with team members to design the website for CSUSM's Cougar Pantry service using **HTML** and **CSS**.
  - Organized and accessed data using **MySQL** and **PHP**, then generated charts using **JavaScript** to highlight the impact of Cougar Pantry on food-insecure students.

## ACTIVITIES

### ⌘ Developer Student Club CSUSM (DSC CSUSM)

- MAR 2020 - AUG 2020
- Co-Lead (Vice President)**
- Assisted with managing club responsibilities and activities, aiming to strengthen a community of student developers.

- JAN 2020 - present
- Graphic Design Lead**
- Produce digital assets using **FireAlpaca** to maintain consistency in graphics and promote club activities.

### Tutoring - Elementary English, Math, and Spanish

- SEP 2018 - present
- Assist special-needs sister with educational activities, applying various strategies to form positive and engaging learning experiences.

## AWARDS

⌘ National Science Foundation  
Scholarships in STEM

- AUG 2018 - present
